

Download 1953 Fordson Tractor Manual

The first prototypes of the new Henry Ford & Son tractor, which would later be called the Fordson, were completed in 1916. World War I was raging in Europe, and the United Kingdom, a net importer of food, was desperate for tractors in its attempt to expand its agriculture enough to feed Britain despite the great shipping disruption of the war. In 1917, the British Ministry of Munitions selected ... Stephen Costello wrote on Friday, September 20, 2013 (PDT): I have a 1957 Fordson Major tractor. Replacing the steering box and I need to know what oil or lubricant to use. The Fordson E27N Major was a minor upgrade of the Fordson N, which itself was very similar to the original Fordson F. Post-war shortages delayed the development of an entirely new tractor. Condition is Used. These are fitted with an 1100cc petrol engine, made by Simca. Very original and quite a rare little tractor to find. I have got a few pieces of info' to go with the tractor.
