The Chevrolet TrailBlazer is a mid-size sport utility vehicle that was produced by General Motors from 2001-2009 for the North American Market. It was replaced by the introduction of the Chevrolet Traverse in 2009. In 2012, production of a newly redesigned version of the TrailBlazer for Asia and Brazil began. The 2015 Chevrolet Cruze might now be one of the oldest designs in its class, but it remains one of the strongest entries -- especially for those focused on comfort, practicality, and fuel-efficiency.
