Carmen Sandiego is a series of American educational mystery video games that spawned an edutainment franchise of the same name. The game released in 1985, *Where in the World Is Carmen Sandiego?*, triggered both the video game series and the franchise as a whole, which has continued up to the present day. Each game of the series has a particular theme and subject, where the player must use their ... Following the end of Carmen Sandiego in 1996, Altman left Rockapella to pursue his solo career the following year, and was replaced by Kevin Wright; it was this line-up that would find itself gaining a boost in popularity in the late 1990s and the early 2000s. An American record label, two Folger's coffee commercials that ran between 1998 and 2001, and another PBS special of their December 9 ... the found family trope in fiction is an inherently queer trope because it directly involves deconstructing the heteronormative notions of what family is and involves defining what family is for oneself rather than assuming that the people you are biologically related to are always going to support and care for you.
