During the Archaic period, Louisiana was home to the earliest mound complex in North America and one of the earliest dated complex constructions in the Americas. The Watson Brake site is an arrangement of human-made mounds located in the floodplain of the Ouachita River near Monroe in northern Louisiana. It has been dated to about 3400 BC. The site appears to have been abandoned about 2800. The British Empire comprised the dominions, colonies, protectorates, mandates and other territories ruled or administered by the United Kingdom and its predecessor states. It originated with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height, it was the largest empire in history and, for over a century, was the ...Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years.
