DetailingWiki has been created in the winter of 2016 with the sole purpose to offer people around the world a single place of information. A place to refer to, to link to or even to quote in order to help teach fellow detailers. This DetailingWiki Project started in November 2015 by Vinnie van Rooij, but with little succes other then his own writing.

Mel Bose – The Terrain Tutor – has been building terrain for almost as long as he can remember. When he was five, Mel built playsets for his little green army men in the corner of the craft store his mother ran. He was often assisted by model railroaders who were regulars at the store and, by the time he saw his first White Dwarf magazine at age 15, Mel was primed for a life of building ...

If you are new to detailing and have light swirls, you can a suitable polish, which will clean up the paintwork, improve shine and tackle light swirl marks. However for tougher defects, you may opt to use a rubbing compound for car scratches that will easily remove even the most severe of swirls.
