Virtual Book Club: Mo Willems Today I am participating in the Virtual Book Club for Kids with a printable inspired by KNUFFLE BUNNY by Mo Willems. I am sharing a mini accordion-folded coloring book that you flip through to find Trixie's favorite stuffie. Book inspired crafts and activities are fun plus they also help cement ideas and themes from what we read! Dream Catcher: mindfulness: A beautiful, stress-reducing colouring book to clear your mind & help you find peace. While this coloring book is a little less abstract than some of the books in this part of the list, the expansive doodles of landscapes, keys, and rooms will give you a lot of room for colorful creativity. Bring some color, fun and creativity to math notes by using foldables and graphic organizers! Great for Interactive Notebooks! About this resource : This collection of over 40 foldable style notes will breathe some life back into notes on many Middle School Math concepts. Books & Learning Media.
