Since it's designed to work at horse speed a Cub shouldn't run away with it in first or second gear. Bar length looks like it wouldn't be a problem. Nice work Dennis. You have brought back memories for me. We had a New Idea mower very similar, if not the same on our farm more years ago than I like to admit. A gathering place for all Farmall Cub, Cadet owners and tractor enthusiasts from all over the world. A place where all are treated equal and ideas are shared freely.
