

# Download Guide To Networking Essentials Solutions

The Companion Guide supplements and complements the IT Essentials v6 online curriculum offered by the Cisco Networking Academy. The Companion Guide is designed as a supplemental textbook for the Networking Academy course. The purpose for this textbook is to offer students a portable desk reference of the course content to use anytime anywhere as a study aid. Business Essentials is a Southern African network of businesses seeking business in an ever-changing economic landscape. Our platform helps our clients reach new markets through thought leadership and content-driven marketing. Monitor and manage your IT environment more efficiently. Designed for easy installation and use, OpenManage Essentials monitors the health status of both Dell EMC and multi-vendor hardware environments.
