I have cut down to 3 or 4 a day but I am still so upset that I can't quit completely. Anyone else in the same boat ...Bought this with high hopes, but was also aware that people have issues with the sock fitting and false positives caused from that. Tried it on for our baby, the sock did not fit well, so we waited for a couple of weeks for the baby to grow and try it again - same thing, it did not fit well and that kept firing off the yellow alarm.How to Repot or Pot-Up. When your Fiddle Leaf Fig is looking too big for the pot it may be time to pot-up (aka move it to a larger pot). This will give it more room to grow and get taller.
