

Download Introduction To Chemical Engineering Computing

Introduction to Chemical Engineering Computing Bruce A. Finlayson, John Wiley & Sons, 2012
About The Department of Chemical Engineering at Carnegie Mellon. The Department of Chemical Engineering at Carnegie Mellon is one of the premier chemical engineering departments in the country. Engineering Computer Facilities (ECF) provides a variety of computing services for teaching and research within the Faculty, as well as offering support for departmental computers and computer communication. ECF has numerous networks accessible to the Faculty from hundreds of Windows workstations. Every undergraduate and graduate student in the Faculty is entitled to an ECF account....Purdue's top-ranked online graduate programs in Engineering offer a wide array of Master's of Science degrees. Click here or call 1-765-494-7015 to learn more.
