What's my Jensen Healey worth? In general, a running, functional Jensen Healey or Jensen GT in California goes from \$4,000 to as high as \$30,000 for exceptional, high quality restorations. The Jensen GT is a British sports car. It was introduced by Jensen Motors in 1975 as the shooting-brake version of the Jensen-Healey. The new configuration was a 2+2 design with a very limited back seat. Aside from the body shape and seating, relatively little differed from the roadster. Acceleration and top speed were slightly reduced due to the increased weight and additional smog control ... The Jensen Interceptor is a Grand touring car which was hand-built at the Kelvin Way Factory in West Bromwich, near Birmingham in England, by Jensen Motors between 1966 and 1976. The Interceptor name had been used previously by Jensen for the Jensen Interceptor made between 1950 and 1957 at the Carters Green factory. Jensen had extensively used glass-reinforced plastic for the fabrication of ... 1964 BJ7 Austin Healey - Appraised value at \$75,000, open to reasonable offers. The car took me seven years to restore and I have been driving it for the last three. I find myself with little time to enjoy the car and have decided to sell it to someone with the time.
