LG's Ultra large 9.0 cu. ft. Steam Dryer performs big enough for your most ambitious loads. Smart enough to make sure everything dries perfectly with 14 drying programs, including, Steam Fresh, Steam Sanitary, Wool, Speed Dry, Air Dry and Super Dry. This LG Electronics 7.4 cu. ft. Extra Large Capacity Electric Steam Dryer optimizes fabric and garment drying by exploiting a host of options and technologies, from a Sensor Dry system that monitors in-cycle. Rated 4 out of 5 by Hyde29 from It's great for single use It's a good machine however not the best for large households or people that don't take the time to operate the machine properly. Since it's a washer & dryer all in one, preventive maintenance is needed often. To wash & dry a load takes much, much longer than your standard front load machines. Hi Cassie1031.
