

Download Lucky Dog How Being A Veterinarian Saved My Life

My dog, 1yr old, chewed on a bottle of liquid systane eye drops for dry eye. I also think he swallowed the small tube of - Answered by a verified Dog SpecialistI have been going to Aid Animal Hospital for seventeen years. I would never think about going to any other veterinary clinic because of the care, love and compassion that is displayed and demonstrated with my dog, Andie and me!!My Harley was a boy. When we got him he still needed mommy a bit more. He was a min pin. For all of his life he slept with me. I had a little mole on the back of my neck and he would lick it my hair stylist noticed a bald spot in that area.Hi and welcome to Five Leaf Pet Botanicals. My name is Amanda Banting, I am a Herbalist and the founder of Five Leaf Pet Botanicals. In 2002 one of my seven dogs, Tom (he was 6 years old at the time and my eldest), was diagnosed with heart disease, he was given only 6 - 12 months to live.
