

Download Magic Chef Mini Fridge With Freezer Manual

Go the extra mile to make your kitchen great by choosing the Energy Star qualified Magic Chef Mini Refrigerator in Stainless Look. Magic Chef 1.7 cu. ft. compact ALL-refrigerator provides ample storage for your favorite beverages such as water and sports drinks. Its freezer-less design, along with a wire shelf helps keep your fresh foods and beverages organized, so you can quickly grab a late-night snack in your dorm room or find your lunch at the office. I have a Magic Chef Mini Fridge and have a question about the temperature control. What is the ideal position for the dial to be on? It goes from 1-6 and I don't know what the proper setting is. I have had this mini fridge in my room for about a year and up to recently has done fine...now it seems to be freezing up more with ice in the small compartment and not keeping drinks as cool. Whether you're college-bound or simply want a little extra cold food storage in your home or office, the Magic Chef 3.5 cu. ft. mini refrigerator with a full-width freezer compartment has the storage options you're looking for.
