

Download Manuel Entretien Austin Mini

The Austin Seven was renamed Austin Mini in January 1962[16] and Mini became a marque in its own right in 1969. In 1980 it once again became the Austin Mini and in 1988 the Rover Mini. BMW acquired the Rover Group (formerly British Leyland) in 1994, and sold the greater part of it in 2000, but retained the rights to build cars using the MINI name. Should you wish to sell your MINI at some time in the future, please remember to hand over this Owner's Manual to the new owner; it is an important part of the vehicle. Additional sources of information You can find more information about the MINI, for example on its technology, on the Internet at www.MINI.com After we receive your information it may be used by MINI USA and your MINI Dealer to contact you.
