Moment by Moment...an Ageless Process [Nancy Lister Swayzee] on Amazon.com. *FREE* shipping on qualifying offers. It begins and ends our life, the process of change. We are in a continuous state of change from the moment the egg is fertilized in the womb. Yet how we change determines the quality of our lives. We even change when we are unconscious "Moment by Moment...An Ageless Process" offers some ideas on how to re-connect with life; changing the quality of our everyday living to conscious, and with that, changing the perception and experience of our lives. Together we will explore the subject of "core" consciousness and how unconscious living causes us to lose our life as we are in ...Psychology Moment by Moment guides clinicians through the process of creating and applying mindfulness-based interventions for a variety of client populations and problems, session by session, to focus treatment even more and help clients make substantial progress. ...
