

Download Multiple Choice Questions For 2nd Graders

DESCRIPTION “Tia Maria's Garden” is a two-page reading passage (realistic fiction) with 10 multiple-choice questions for 2nd grade students. It is about a woman who plants a spring garden and notices something is eating her plants. It can be used to practice basic reading comprehension and assess student understanding of the text. This year, third graders will be taking their vocabulary to new heights and exploring such concepts as metaphor, simile, hyperbole, and personification. Recognizing the main idea and supporting details are important to reading comprehension. This exercise gives your students practicing these concepts with multiple nonfiction texts. Many British parents felt a test given to their second graders was too difficult. We found 14 sample questions similar to the original test. Do you agree?
