Installation, Operation and Maintenance Manual O4LD Oil-Fired Lowboy Warm Air Furnaces ALL INSTALLATIONS MUST MEET ALL LOCAL, PROVINCIAL/STATE, AND FEDERAL CODES WHICH MAY DIFFER FROM THIS MANUAL Read this complete manual before beginning installation. These instructions must be kept with the furnace for future reference. FOR YOUR SAFETY: We have a model FS3BA - 048KA (4 Ton), Nordyne "Split System Air Conditioner for Outdoors." About 8 years old and used seldom till this year due to unusually hot summer weather. When the air conditioner (which works quite well) cycles off, there is a whining/squeaking sound for a few seconds before the fan stops spinning. Nordyne manufactures 13 SEER standard-efficiency split system units, some of which are manufactured with a two-stage Ultra tech scroll compressor. These quiet, maintenance-free units have corrosion-resistant jackets and coil guards, as well as durable hail guards for dependable protection from weather-related damage. Big, Small and In Between. At Nortek Global HVAC, we manufacture heating and air systems for just about every application you can imagine. We heat, cool and condition the air in manufactured homes, million-dollar mansions and massive commercial structures. COMPONENT MATCHES Check to see that the proper system components are in place, especially the indoor coil. R-410A outdoor units can only be used with R-410A specific indoor coils. If there is a refrigerant mis-match, Nordyne e2eb 015hb (split system heat pump) Late last summer our "A-coils" froze over. We turned the unit off and let them defrost. Everything after that seemed fine. When winter came, we turned on the heat for the first time and the unit made a loud mechanical squealing noise and from then on was "stuck" on heat and could only be turned off and on at the breaker box to the house. Outdoor Heat Pump. Two Stage R-410A Split System. User's Manual / Installation Instructions. Please read this information thoroughly and become familiar with the capabilities and use of your appliance before attempting to operate or maintain this unit. Keep this literature where you have easy access to it in the future.
