Though the ultimate effects of modern technologies on our legal system remain to be seen, *Parchment, Paper, Pixels* offers readers an insightful guide as to how our shifting forms of technological literacy have shaped and continue to shape the practice of law today. Tiersma, *Parchment Paper Pixels*, chapter 1 Peter M. Tiersma, *Parchment, Paper, Pixels: Law and the Technologies of Communication* (Chicago: University of Chicago Press, 2010) CHAPTER 1 Introduction Written texts are ubiquitous in our legal system. Lawyers and judges create such texts just about every day, and when they aren't drafting them, *Parchment, Paper, Pixels: Law and the Technologies of Communication*. In the legal realm, the rise of literacy and print culture made possible the governing of large empires, the memorializing of private legal transactions, and the broad distribution of judicial precedents and legislation. Yet each of these technologies has its shadow side: written... *Parchment Paper Pixels Law And The Technologies Of Communication* *Parchment Paper Pixels Law And The Technologies Of Communication* Top Popular Random Best Seller sitemap index There are a lot of books, literatures, user manuals, and guidebooks that are related to parchment paper pixels law and the technologies of communication such as: verschlungene
