Conceptual Glossary of Medical Terms. Site presented by Bill Tillier Use this index to navigate around the glossary: Introduction Sources Other web-based glossaries.. A - C D - F G - K L - O P - S T - Z.. Created: July 03, 2001. Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. A genetically modified organism (GMO) is any organism whose genetic material has been altered using genetic engineering techniques. The exact definition of a genetically modified organism and what constitutes genetic engineering varies, with the most common being an organism altered in a way that "does not occur naturally by mating and/or natural recombination". JSTOR is a digital library of academic journals, books, and primary sources.
