

Download Repair Manual For Dodge Stratus

Chrysler Concorde, Dodge Intrepid And Eagle Vision. This is the body repair manual for the Chrysler Concorde, Dodge Intrepid and Eagle Vision, which shows the typical unibody panels contained in these vehicles, weld locations, types of welds for each panel and proper sealers. Dodge is a well-known American brand of cars, sport utility vehicles and minivans. The company was founded in 1900, but didn't begin producing cars until 1914. It's a 2002 Dodge Stratus 2.4l 4-door but when I buy parts I see things that are not on the hood of the car like in this picture this is the hood of my car and I'm trying to buy a starter and alternator because when I try to start it it won't start it just revs I have sparkplugs 2 but haven't put them in but the alternator I want says SOHC it doesn't say that on my car help please For 2 months, when I start driving in the morning. I've noticed a whistling sound either in the left driver side of the engine compartment or wheel. The sound comes when I'm driving at 30 mph, then I apply the brakes and the sound is gone. But after I take my foot off the brake and put on the gas, the sound comes back but sometimes it doesn't. While I'm driving during the day the sound is gone.
