

Download Sample Chart Of Accounts Construction Company

In accounting, a standard chart of accounts is a numbered list of the accounts that comprise a company's general ledger. Furthermore, the company chart of accounts is basically a filing system for categorizing all of a company's accounts & classifying all transactions they affect. The QuickBooks Chart of Accounts is very customizable. The chart of accounts should be modified to meet the needs of your business and we will show you how. On the previous post, you have probably learnt how chart of accounts is constructed with its digitization numbering system. This post describes terms and definitions used on the chart of accounts, thus (hopefully) helps you understand the chart even better. Not only for starters, even seniors (management-level) may find it useful, particularly when setting up [...] Contracts, Procurement & Accounts Payable Student and Business Services Room #345 1 Harpst Street, Arcata, CA 95521 Phone: (707) 826-3512 Fax: (707) 826-3312
