

Download Schwintek Slide Out System

Lippert Components makes the Schwintek In-Wall Slide-Out system. This system is different from other slide out systems in that the gears and motors are mounted inside the slide out itself. In this detailed video, Lippert Service Technician, Shawn Clark, shows you how he lubricates two important parts of the slide out. The versatile In-Wall® Slide-Out technology combines above-floor placement with seamless flush-floor style, making cable slide-outs largely obsolete. Contact Lippert Components Customer Support at 574.537.8900 or parts@lci1.com with any questions about your Schwintek In-Wall Slide-Out System. From 52 manufacturing and distribution facilities located throughout the United States and in Canada and Italy, Lippert Components, Inc. (LCI®), a subsidiary...
