

Download Sn50 Lathe Service Manual

I'm involved in a job where I have to replace the spindle bearings in a TOS SN40-C engine lathe. I have worked on many lathes before but this one is a strange beast. Hi, I am new around here, and was hoping someone could help me out. I just acquired a TOS Trenchin SN40B-50B lathe and have some questions. First, does anyone know what the -50B in the model number means? Second, the manual that I got for it says that the lathe has forward and reverse, but mine seems ...LATHES, MILLERS, GRINDERS, SHAPERS, BORERS and OTHER MACHINE TOOL Instruction, Operation and Maintenance Manuals, Handbooks and Parts Manuals
