Routledge Revivals spans the whole of the Humanities and Social Sciences, and includes works by some of the world's greatest thinkers including Emile Durkheim, Max Weber, Simone Weil, Martin Buber, Karl Jaspers and Max Beloff. First published in 1954, this title is a companion to The Anatomy of Poetry as a literary guide for the student reader. Writing that students generally find it more challenging to analyse a passage of prose than a piece of poetry, Marjorie Boulton takes a systematic approach to the technical elements of prose, considering form, vocabulary, rhythm and the application of historical context.
