As a result, engineering changes and improvements are made from time-to-time. If the features, operating characteristics or the appearance of your product differ from those described in this Instruction Manual, please contact your STIHL Dealer. The earliest instruction manual that Bridgman found during his tenure was attached to a machine made by famous engineer James Watt. But the machine wasn't a steam engine: it was an office copier 111110001001110010010110100000101100100000011011000 1010001011000111111011011101010001100101111000000 010001001000011101000010 ...
