

Download Unfinished Business Pursuit Of An Antarctic Killer

Unfinished Business: Pursuit of an Antarctic Killer by Theodore Jerome Cohen is the second of three books in the Antarctic Murders trilogy. The trilogy, based on true events with a bit of fiction mixed in, is a fascinating read that I had trouble putting down. Unfinished Business: Pursuit of an Antarctic Killer by Theodore Jerome Cohen is the second of three books in the Antarctic Murders trilogy. The trilogy, based on true events with a bit of fiction mixed in, is a fascinating read that I had trouble putting down. Unfinished Business: Pursuit of an Antarctic Killer Book II in the Antarctic Murders Trilogy Unfinished Business picks up the story begun in Book I with the return of the crate containing Señora Rodriguez' refrigerator from Antarctica to Arica aboard Corvette Captain Roberto Muñoz' ship, the Lientur. What makes Señora Rodriguez' refrigerator so special is that, unbeknownst to her, it holds the spoils from a major bank robbery in Talcahuano, Chile, which occurred in the aftermath of the ... Unfinished Business: Pursuit of an Antarctic Killer is Book II of The Antarctic Murders Trilogy. It continues the story of Captain Roberto Munoz of the Lientur and the hunt for the millions of dollars in U.S. and British cash, negotiable securities, gold coins, and jewelry that were stolen from the Banco Central de Chile following the Chilean Earthquake of May, 1960.
