Empower 3 is Waters' compliant-ready chromatography data software (CDS) package for advanced data acquisition, management, processing, reporting, and distribution. This manual is intended to support you in mastering the use of Empower in a simplified and easy to understandable way. As a compact manual it's not the intention to create a mirror image of the Empower Online-Help but to provide a user-friendly leitmotif thereby focusing on the essentials. More than an online-help. The compact user guide for Empower®3. The manual imparts the essential knowledge of the Empower software to users of HPLC or GC analytics in an intelligible manner. It describes functions and operation of the software, based on Empower Build 3471 Feature Release 2, including the options PDA and system suitability. The...
