

Download Writing Instructions To Plant A Seed Ks1

Children to cut and stick the pictures into the correct order, showing the steps needed to plant a seed. Could be used as stimulus for children to write their own instructions. We are starting a new unit in May and will be planting flower. This will be perfect in so many ways. A chart to show the steps as we plant, make a booklet for dramatic play with items to recreate how to plant flowers and add to Science Center. It would be good if the planting of the seed section could be a blank sheet rather than have lines. Also for children with SEN it would be good if there were some pictures to help fill in the planting and equipment section so they could just stick the pictures into boxes. The pack includes: A Garden Centre sign A 'Welcome' poster A decorated clock to make with moveable clock hands Open and closed signs Opening times posters A 'Pay here' poster Display words with photos and words of different gardening tools and equipment Large grass themed lettering spelling 'Garden Centre' Colourful number flowers A set of colour posters with flowers in pots of different ...
