

Download Yoni Massage Awakening Female Sexual Energy

Yoni is the Sanskrit word for the vagina. Sexual organs play a major role in our physical, emotional and spiritual health and when our sexual organs are subject to blockages due to toxins we reduce our capacity to create and move our sexual energy (Chi, Prana, Life force) throughout our body which is required for our self-healing mechanism. Many different types of blockage can occur in ...More info For the Ladies, Marcella offers a session that includes a combination of relaxing sensual massage with the option to receive a yoni massage as you feel your female energy start to awaken during the session.
