The *Zombie Survival Guide* is a humorous book by American author Max Brooks and published in 2003. It is a survival manual dealing with the fictional potentiality of a zombie attack. It contains detailed plans for the average citizen to survive zombie uprisings of varying intensity and reach, and describes "cases" of zombie outbreaks in history, including an interpretation of Roanoke Colony. Your key to survival against the hordes of undead who may be stalking you right now. Fully illustrated and exhaustively comprehensive, this book covers everything you need to know, including how to understand zombie physiology and behavior, the most effective defense tactics and weaponry, ways to outfit your home for a long siege, and how to survive and adapt in any territory or terrain. Amidst *Call of Duty: Black Ops 3*'s cinematic single-player campaign and addictive-as-ever multiplayer is none other than the franchise's signature *Zombies* mode. As is typical with previous ...[CDC - Blogs - Public Health Matters Blog](#) – [Preparedness 101: Zombie Apocalypse](#) - [Sharing our stories on preparing for and responding to public health events](#)
